EXPERIENCE

Israel Lopez Consulting(ILC) - Project Manager

Irvine, CA Feb 2024 Present

- Setup meeting with new and existing clients .
- Managed product freshness and presentation, including rotating and displaying items as per planograms and maintaining the assigned section, contributing to a visually appealing store environment.
- Streamlined stock management by assisting with unloading trucks, organizing the stockroom, and maintaining shelf sets, ensuring product availability and efficient store operations.
- Operated essential back room equipment like pallet jacks and scissor lifts, and performed store upkeep tasks such as cleaning and sweeping, ensuring a safe and tidy shopping environment.

EDUCATION

V School Coding Bootcamp

Remote Dec 2023

Learned industry best practices and practical software development standards with a focus on HTML5, CSS3, JavaScript, Node.JS, React, REST APIs, and MongoDB. Created and deployed mobile-first applications while learning new languages and frameworks by collaborating every week with a senior web developer.
